INVITATION FOR BUSINESS

On behalf of the Embassy of the Republic of Lithuania to the United States, the Innovation Agency, Lithuania and European American Chamber of Commerce Florida we would like to invite you to join us at the **Lithuania-U.S. Business Forum**, to be held on **September 24, 2026, in Miami, Florida, in Trump National Doral Miami (Crystal Ballroom)**.

The Forum will take place during the official visit of **H.E. Gitanas Nausėda, President of the Republic of Lithuania**, and will bring together senior government officials, business leaders, investors, and innovators from Lithuania and the United States to strengthen transatlantic economic cooperation and explore new opportunities in trade, investment, innovation, and advanced technologies.

A keynote address by H.E. Gitanas Nausėda, President of the Republic of Lithuania, will be part of the program, alongside an economic security conversation and a series of business-focused discussions.

The program will examine investment and growth from both sides of the Atlantic, including discussions of Lithuanian and U.S. companies investing both sides.

The Forum will also turn the conversation into direct engagement. Company pitches, networking and pre-arranged B2B meetings will create space for Lithuanian and U.S. companies to meet, exchange ideas and explore concrete opportunities for cooperation.

We sincerely hope you will be able to join us for this special occasion.
